NIAGARA BELCO – Quality and safety first!

Quality Assurance

When you choose Niagara Belco you choose quality. Niagara Belco products are built by elevator people with elevator know-how.

A commitment to excellence and hands on project management from start to finish is our pledge to you. Make Niagara Belco products a successful part of your next project, your satisfaction is guaranteed!

Safety Is Our Business

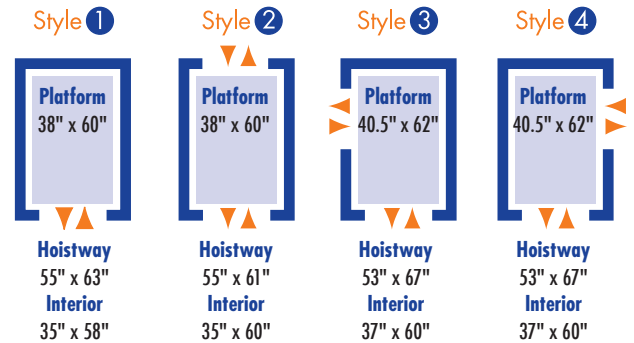

At Niagara Belco we believe that you and your family's safety is our business. With this philosophy in mind, The Victorian has been designed to meet all public safety standards. Built to the same exacting specifications as Niagara Belco's commercial lifts, The Victorian delivers what no other residential elevator can; a fully commercial code compliant elevator system for your home!

Warranty

Niagara Belco stands by all their products and offers a limited **5-year warranty*** on all major components and a **lifetime warranty** on all structural components.

* Complete warranty details available online at www.niagarabelco.com or call toll free at 1-800-465-9999.

Niagara Belco, is a member of the National Association of Elevator Contractors (N.A.E.C.) and the Canadian Elevator Contractors Association (C.E.C.A.) since 1984.

Our 4 standard platform configurations are designed to suit most applications. However, The Victorian can be custom designed to accommodate any unique accessibility needs.

The backbone of our lift, 'The Victorian's' welded, all steel modular designed sling assembly and welded steel platform is comfortably rated for up to 1,400 lbs and guaranteed for life.

Our high efficiency, continuous duty rated hydraulic drive unit is supplied fully assembled and guaranteed for a full five years.
